

A black and white photograph of a city street. On the right, there are multi-story brick buildings. A vertical sign on one building reads 'ARCHMUSEUM'. In the foreground, modern streetlights with large spherical globes are visible. On the left, a vintage car and a bus are parked. The overall scene suggests a blend of old and new urban architecture.

Souhait 25

Un musée des lampadaires

Sentiment d'appartenance
Sentiment de fierté
Protection du patrimoine
